

Dear FOIL Records Access Officer,

Re: Freedom of Information Law Request (FOIL)

Under the provisions of the New York Freedom of Information Law, Article 6 of the Public Officers Law, I hereby request records or portions thereof pertaining to or containing the following:

- 1) How many FOIL requests did your agency receive in calendar year 2022
- 2) How many FOIL requests were granted in full or in part
- 3) What is the average processing time to complete a FOIL request
- 4) How many administrative appeals were received
- 5) How many appeals upheld the initial denial fully/partially

Please provide the requested information to me electronically via email. If there are fees for copying the records requested, please inform me before filling the request.

As you know, the Freedom of Information Law requires that an agency respond to a request within five business days of receipt of a request. Therefore, I would appreciate a response as soon as possible and look forward to hearing from you shortly. If for any reason any portion of my request is denied, please inform me of the reasons for the denial in writing and provide the name and email address of the person or body to whom an appeal should be directed.

Sincerely,
